

RIOTING FOLLOWS ORDER TO ARMS

Slavs Raise Disturbances, Is Report, Tearing Down Mobilization Notices.

Geneva, Switzerland, Jan. 28.—The order of the Austro-Hungarian government for the mobilization of the last line of reserves has brought about a serious rioting among the southern Slavs, according to unconfirmed dispatches reaching here from Austrian sources.

The clergy, these sources say, headed the movement of resistance, which began Sunday morning at Ljubljana, 35 miles northeast of Trieste. After the session by a Slavizing priest, the crowd is reported to have left the cathedral shouting "down with war!" "Down with the Germans!"

Rioters Attack Gendarmes.
The rioters attacked the gendarmes and after shots were fired, the cavalry was called out and charged the crowd. During the disturbance, the prefect's palace was burned and its furniture

and pictures, which were thrown out of the windows, were trampled to pieces.
At Agram, capital of Croatia and Slavonia, students torn down the mobilization notices, and it is reported that a Hungarian official, a student and a child were killed in the rioting that followed. There was rioting also at Sarajevo, in Croatia, where the mobilization notices were destroyed.

Ten Rioters Killed.
An enormous crowd, these sources say, from Austrian sources also say, concentrated at Trieste and then descended there. All the houses on which the official notices of mobilization were posted were destroyed and in the fight that followed, ten rioters were killed.

Late dispatches state that the rioting continued and that general apprehensions were felt as to the outcome. Serious trouble is reported also in Transylvania, where Gov. Count Bethlen, it is charged, has ordered that all persons refusing to submit to the decree of the authorities be shot.

CONSTIPATION A PENALTY OF AGE

Nothing is so essential to health in advancing age as keeping the bowels open. It makes one feel younger and fresher and forestalls colds, piles, fever, and other dependent ills.

Cathartics and purgatives are violent and drastic in action and should be avoided. A mild, effective laxative-remedy, recommended by physicians and thousands who have used it, is the combination of simple herbs with pepper sold by druggists everywhere under the name of Dr. Caldwell's Syrup Pepsin. The price is fifty cents and one dollar a bottle. For a free trial bottle, write to Dr. W. B. Caldwell, 152 Washington St., Monticello, Ill.

When Women Suffer

No remedy gives greater relief than Anti-Kemina (A-K) Tablets in all conditions generally known as "Women's Aches and Pains." One trial will satisfy any woman that she has at last found the remedy she has long been looking for.

Indigestion—Dyspepsia

Are you distressed after eating? Do you have nausea when riding in the cars or on the train or boat? Take A-K Tablets and get instant relief.

Genuine A-K Tablets bear the K monogram. At all Druggists.

Police Protection

An efficient police force means safety of life and property. Did you observe how quickly the wave of crime was arrested this winter? Mayor Kelly increased the police department to meet the emergency.

The city has 56 trusted policemen and

detectives. The records show that the police and detective departments recovered and returned to owners twenty thousand dollars worth of stolen property during 1914. An efficient police department is part of the policy of

You Are Sure To Get The Genuine Duffy's Pure Malt Whiskey

If you are careful to observe the following three points of distinction:
That the neck strap over the cork is unbroken.
That our name and monogram are blown in the bottle.
That the label bears our trade-mark of the "Old Chemist," and signature of the Company.
For more than 50 years Duffy's has been before the public and today enjoys a very favorable reputation; in fact so favorable that unscrupulous dealers go to the trouble of imitating the bottle and contents. An article must have merit to meet competitive conditions and to warrant the spending of thousands of dollars to spread the doctrine of its health giving properties. Take Duffy's in tablespoon doses in equal amounts of water or milk before meals and on retiring and you will be gratified at the results.

Be Sure You Get the Genuine

NOTE Get Duffy's from your local druggist, grocer or dealer \$1.00 per bottle. If no retail supply you, write us, we will tell you where to get it. Medical booklet free.

Russian Girls, Fascinated By Romance of War, Go to Front Disguised as Men

Petrograd, Russia, Jan. 28.—The war has an unbelievable fascination for the Russian schoolgirls, hundreds of whom have run away in boys' clothing and tried to enlist as volunteers. Not a few of them have got into the lines, too, as the medical examination is only a negligible formality in many places. Among the wounded in the battle of Niemen was a broad-shouldered girl from one of the country districts, whose disguise was not discovered until she reached the field hospital.

Kaiser Eats War Bread as Example to Subjects

Munich, Germany, Jan. 28.—As an example to his subjects, emperor Wilhelm of Germany, emperor of Germany, ate war bread made by the mixture of ground rye or barley with flour. All his meals now are of the war bread.

GERMAN AND FRENCH TROOPS BATTLE FOR A CALF

Berlin, Ger., Jan. 28.—In the neighborhood of B. in France, the troops of the Germans and the French are about 500 yards apart. One day a calf appeared between the fighting lines. Firing immediately ceased, for both sides were anxious to capture the calf. Both the French and the Germans tried their best to get the calf to come over to their respective side, but without success. The calf, nosing around for something to eat, kept away from both trenches.

GERMANS ARE USING NEW EXPLOSIVES NOW

London, Eng., Jan. 28.—A report of recent developments in the official observer attached to British military headquarters, includes a description of new projectiles employed by the Germans.

WELSH WILL GO TO BATTLE WITH MALE CHOIR SINGING
